

FISCAL NOTE

SB 449 - HB 1488

February 24, 2001

SUMMARY OF BILL: Creates a priority for the Office of Women's Health, Department of Health, to disseminate current, accurate information on gynecological cancer. The department may use print and electronic media to distribute information to the public and health care providers. The department may create rules to require providers to distribute the information.

ESTIMATED FISCAL IMPACT:

**Increase State Expenditures - \$353,900 Recurring
\$5,700 One-Time**

Assumes:

- A need for one position in the Department of Health to coordinate the program.
- Expenditures of \$157,000 for printing costs of program materials.
- Expenditures of \$150,000 for developing advertising and purchasing airtime, which is based on a similar project recently undertaken by the Department.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
